4712 Main — Construct rear staircase  
701 Warrenville, 1st Floor — Interior Demo  
750 Warrenville, 2nd Floor — Office Remodel

## *Points of Interest*

At the Krasa Center and Coal Ben Restaurant of Benedictine University they have installed a bulk cooking oil delivery system (right). This pressurized tank contains cooking oil that is delivered through the building via flexible tubing to the deep fryers. This is used to fill the fryers for their weekly oil exchange. These were installed without a permit and the Village of Lisle is requiring them to obtain one.

## *Code Enforcement Activities*

<i>Activity</i>	<i>Current</i>	<i>YTD</i>
Inspections (Existing)	192	<b>622</b>
Inspections (New)	13	<b>55</b>
