**RULES OF THE BOARD OF TRUSTEES OF
THE LISLE-WOODRIDGE FIREFIGHTERS' PENSION FUND**

CHAPTER I - BOARD OF TRUSTEES

1.01 Membership of the Board

The Board of Trustees of the Lisle-Woodridge Firefighters' Pension Fund (the "Board") shall consist of the following five (5) members: two members appointed by the Lisle-Woodridge Fire Protection District president; two (2) active firefighters of the Lisle-Woodridge Fire Protection District (the "District"); and one (1) person who has retired under the Firemen's Pension Fund Act of 1919 (former Ill.Rev.Stat. ch. 24, par. 918 *et seq.*) or Article 4 of the Illinois Pension Code (40 ILCS 5/4-101 *et seq.*) A firefighter receiving a disability pension shall be considered a retired firefighter for purposes of membership on the Board. In the event that there are no retired firefighters under the Fund or if none are willing to serve on the Board, then an additional active firefighter shall be elected to the Board in lieu of the retired firefighter who would otherwise be elected. (40 ILCS 5/4-121)

1.02 Election of Board Members

The members of the Board chosen from the active and retired firefighters shall be elected by ballot at elections to be held on the third Monday in April of the applicable years under the Australian ballot system. No person shall cast more than one (1) vote for each candidate for whom he or she is eligible to vote.

The Board shall accept nominations for candidates prior to the election in the applicable years. Candidates for the positions of active firefighters may be nominated by active firefighters. Candidates for the position of retired firefighter may be nominated by retired firefighters. In the elections for Board members to be chosen from the active firefighters, only active firefighters may vote. In the elections for Board members to be chosen from retired firefighters, only retired firefighters may vote. In the event there are no retired members or none are willing to serve, another Board member shall be elected from among the active firefighters. In this instance active members may vote for the substitute retired member. If no retired firefighters are serving on the Board and a newly retired firefighter becomes available and is willing to serve on the Board, the seat that would have been a retired seat will be returned to a retired seat upon the expiration of the term of the active member serving in that seat.

An administrative assistant, or members of the Board shall open the ballots and present the results to the Board. The Board shall canvass the ballots and declare which persons have been elected and for what term or terms respectively. The Board President shall release the results of the election and contact all candidates immediately of the election results.

In case of a tie vote between two (2) or more candidates, the Board shall determine by lot which candidate or candidates have been elected and for what term or terms, respectively. In the event that there are only as many nominated as there are vacancies on the Board, the Board shall declare that those nominated are elected by acclamation and dispense with an election by ballot. (40 ILCS 5/4-121)

1.03 Term of Office

Each elected and appointed member of the Board shall hold office for a term of three (3) years and until his or her successor has been duly elected or appointed, and qualified. (40 ILCS 5/4-121)

1.04 Vacancies

In the event of the failure, resignation, or inability to act of any Board member, a successor shall be elected for the unexpired term at a special election called by the Board and conducted in the same manner as a regular election. (40 ILCS 5/4-121)

1.05 Officers

A. President and Secretary

A President and Secretary shall be elected annually for a one-year term, or until their successor has been duly elected and qualified. All elections shall be conducted in open session of the Board. Candidates for President and Secretary must be nominated, seconded, and voted upon individually. A candidate receiving a majority of the votes shall be elected.

If the President or Secretary is unable to complete his or her term, a permanent replacement shall be elected by the Board to complete the term. The books and accounts shall be subject to the inspection of the Board or any member thereof.

Within ten (10) days after his or her appointment, the Treasurer and designee shall each execute a bond to the District, with good and sufficient securities, in such penal sums as the Board shall direct, to be approved by the Board, conditioned for the faithful performance of the duties of the office, and for the safekeeping and proper accounting of all monies and property which come to the Treasurer. The bond shall be filed in the office of the District Secretary.

On the expiration of the Treasurer's term, all monies and property of the Fund shall be turned over to his or her successor. (40 ILCS 5/4-130)

Board members must submit to the President an itemized, signed voucher showing the amount of actual expenses with receipts attached to the voucher, if possible. Board members will keep mileage logs and be reimbursed for such cost in accordance with the current IRS amount for mileage reimbursement. No money shall be advanced or reimbursed for the expenses of any person except the Board member. Expense vouchers shall be evaluated and approved or rejected by the Board during its regular billing process.

1.17 Fraudulent Statements or Records

No person, member, trustee, or employee of the Board shall knowingly make any false statement or falsify or permit to be falsified any Fund record in any attempt to defraud the Fund as a result of such act, or intentionally or knowingly defraud the Fund in any manner. (40 ILCS 5/1-135 and 4-138.5)

1.18 Trustee Training

A. Initial Certification Requirement

All newly-appointed or newly-elected Board members must participate in a mandatory trustee certification training seminar that consists of at least 32 hours of initial trustee certification at a training facility that is accredited and affiliated with a State of Illinois certified college or university (See **Form 4**). This training must include all of the following topics:

1. Duties and liabilities of a fiduciary under Article 1 of the Illinois Pension Code;
2. Adjudication of pension claims;

6. The Illinois Freedom of Information Act.

B. Annual Training Requirements

All elected and appointed Board members must annually complete a minimum of 16 hours of educational training after the first year that the trustee is elected or appointed (See **Form 4**). At least eight (8) hours of this annual requirement shall include training on ethics, fiduciary duty, investment issues, and any other curriculum the Board establishes as being important for the administration of the Fund. The Board shall annually certify its members' compliance and submit an annual certification to the Illinois Department of Insurance.

C. Eligibility; Replacing Board Members

Any Board member who does not complete the required training is not eligible to serve on the Board unless he or she completes the missed training within 6 months after the date the member failed to complete the required training.

If a Board member fails to complete the required training, a successor shall be appointed or elected to complete the Board member's unexpired term. (40 ILCS 5/1-109.3; 40 ILCS 5/1-113.8)

1.19 Statement of Economic Interest

By February 1 of each year, the County Clerk must be notified of the names of all persons affiliated with the Fund who must file a Statement of Economic Interest. By May 1 of each year, each Board member must file a Statement of Economic Interest with the County Clerk as required by Article 4A of the Illinois Governmental Ethics Act (5 ILCS 420/4A-101 *et seq.*). The Statement of Economic Interest must include all information required by Section 4A-102 and shall be in the form required by Section 4A-103 of the Act (5 ILCS 420/4A-102; 4A-103).

1.20 Freedom of Information

It is the policy of the Fund to permit access to and copying of public records in accordance with the Illinois Freedom of Information Act, balanced, however, by the limited exceptions recognized in the Act to safeguard individual privacy and the efficient operation of the Fund. The Fund shall appoint a Freedom of Information Officer, who shall insure that the Fund complies with the Act through execution of this policy.

Requests are accepted via personal delivery, mail, facsimile or email if directed to jfessler@Lisle-Woodridgefire.org. Requests must specify Fund records with reasonable particularity to avoid inefficient use of staff time in retrieving and preparing records for inspection.

2. Response to Request

- a. Upon receipt, the Freedom of Information Officer shall mark the date received upon the request, along with the date a response is due.
- b. The Fund shall either comply with or deny the written request for public records within five (5) working days after its receipt. (see **Forms 6, 7 and 8**.) Denial shall be by letter as provided below and contain a detailed factual basis for the denial. Failure to respond to a written request within five (5) working days after its receipt shall be considered a denial of the request.
- c. The Fund's time for response may be extended for not more than five (5) additional working days for any of the following reasons (see **Form 9**):
 - i) The requested records are stored in whole or in part at other locations than the office having charge of the requested records;
 - ii) The request requires the collection of a substantial number of specified records;
 - iii) The request is couched in categorical terms and requires an extensive search for the records responsive to it;
 - iv) The requested records have not been located in the course of routine search and additional efforts are being made to locate them;

- v) The requested records require examination and evaluation by personnel having the necessary competence and discretion to determine if they are exempt from disclosure under the Act or should be revealed only with appropriate deletions;
 - vi) The request for records cannot be complied with by the Fund within five (5) working days without unduly burdening or interfering with the operations of the public body;
 - vii) There is a need for consultation, which shall be conducted with all practicable speed, with another public body or among two or more components of the Fund having a substantial interest in the determination or in the subject matter of the request.
- d. When additional time is required for any of the reasons listed, the Fund shall notify by letter the person making the written request within five (5) working days of receipt of request (see **Form 9**).
 - e. The response times contained in this Section may be extended with the written agreement of the requestor; and
 - f. The Freedom of Information Officer shall maintain a copy of each request, response and written communications with the requestor and all documents submitted.

3. **Procedure for Inspection or Copying**

- a. Inspection of Fund public records not excluded from inspection under the Act shall be permitted between the hours of 8:00 a.m. and 4:00 p.m., Monday through Friday, on days the Fund's office is open for business.
- b. Inspection must be made at the Fund's office, and records are not to be removed from the Fund's office.
- c. The Freedom of Information Officer or his/her designee shall be present during inspection of Fund records.
- d. Inspection will not be allowed when records are in immediate use by persons exercising official duties which require use of the records.
- e. Copies of requested records will be provided by the Fund within the limitations of Fund's copying equipment.

4. **Fees**

- a. Letter-sized, black and white copies are charged at \$.15 per page after the first 50 copies. Each color copy will be charged at \$.25 per page. Persons requesting electronic or oversized copies of Fund public records shall reimburse the Fund for its actual cost for

reproducing public records, as determined by the Freedom of Information Officer or his designee. Each record certified shall cost \$1.00.

- b. Documents shall be furnished without charge or at a reduced charge, as determined by the Board of Trustees of the Fund, if the person requesting the documents states the specific purpose for the request and indicates that a "waiver or reduction of the fee is in the public interest" pursuant to Section 6(b) of the Act (5 ILCS 140/6(b)). In setting the amount of the waiver or reduction, the Fund shall take into consideration the amount of materials requested and the cost of copying them.
- c. Records may be produced electronically, if requested. The Fund may email records where practicable. When requests are unable to be sent via email or the requestor does not desire emailed copies, the Fund shall purchase appropriate electronic media and copy the documents to the electronic media. The requestor will pay the actual cost of the media. In no event may the Fund accept electronic media from a requestor.

5. **Unduly Burdensome Request Exemption**

- a. Requests calling for all records falling within a category shall be complied with unless compliance with the request would be unduly burdensome for the Fund and there is no way to narrow the request, and the burden on the Fund outweighs the public interest in the information.
- b. Before invoking this exemption, the Fund shall extend to the person making the request an opportunity to confer with it in an attempt to reduce the request to manageable proportions.
- c. The Fund shall invoke this exemption in writing to the person making the request specifying the reasons why it would unduly burden the Fund and the extent to which compliance would so burden the operations of the Fund.
- d. Repeated requests for the same public records by the same person shall be deemed unduly burdensome under this provision.

6. **Commercial Requests**

- a. Prior to responding to a request for records, the Freedom of Information Officer shall determine whether the requested records will be used in any sale, resale, solicitation or advertisements for sales or services. If the Freedom of Information Officer determines that the request is for one of these purposes, it shall be deemed a commercial request and response shall be governed by this section. Requests received from news media, non-profit, scientific or academic organizations shall not be considered commercial requests.

- b. When a request is for a commercial purpose, the Freedom of Information Officer shall respond to the requestor within five (5) business days, informing the requestor that the request is considered commercial.
- c. Within twenty-one (21) business days after the receipt of the commercial purpose request, the Freedom of Information Officer shall respond to the requestor. Such response shall either: 1) provide an estimate of the time required to provide the records, including a requirement that the requestor pay for the copies; 2) deny the request pursuant to one or more exemptions found in the Freedom of Information Act; 3) notify the requestor that the request is unduly burdensome and extend an opportunity to the requestor to reduce the request to manageable proportions, or 4) provide the requested records.
- d. When estimating the time required for responding to a commercial records request, the Freedom of Information Officer should consider the size and complexity of the request. Priority shall be given to non-commercial requests.

1.21 Identity and Privacy Protection

A. Generally

It is the policy of the Pension Fund to protect the identity and privacy of all Pension Fund officials, officers, members, agents, and members of the public. The Pension Fund shall comply with the Illinois Identity Protection Act ("IPA", 5 ILCS 179/1 *et seq.*) through implementation of this policy. (5 ILCS 179/35)

Except where required or authorized by law or regulation, the Pension Fund, its Board and its agents shall not collect, use, or disclose a person's Social Security Number ("SSN"). The Pension Fund shall not request SSNs except when it falls under a delineated exception permitted under the IPA. Persons not serving on the Pension Fund shall generally have no access to documents or information containing individuals' SSNs. Any more restrictive law, rule, or regulation regarding the collection, use or disclosure of a SSN shall control over Pension Fund rules set forth here. (5 ILCS 179/55)

B. Identity and Privacy Protections

- 1. Pursuant to the IPA, the Pension Fund's Freedom of Information Officer(s) or designee shall redact SSNs and private information from documents, including all or any portion of an individual's SSN requested for public inspection and copying of information pursuant to federal or state law, such as the Freedom of Information Act. (5 ILCS 179/15; 5 ILCS 140/2(c-5)). The Pension Fund shall provide a means to ensure that SSNs collected on Pension Fund documents may be readily redacted in the event of a FOIA request.

- a. To publicly post or publicly display in any manner an individual's SSN.
- b. To print an individual's SSN on any card required for the individual to access products or services provided by the Pension Fund, unless otherwise required by law. This limitation includes encoding or embedding a SSN in any identification scheme, including, but not limited to, using a bar code, chip, magnetic strip, RFID technology, or other technology, in place of the SSN.
- c. To require an individual to transmit his or her SSN over the internet, unless the connection is secure or the SSN is encrypted.
- d. To print an individual's SSN on any materials that are mailed to the individual through the U.S. Postal Service, any private mail service, electronic mail, or any similar method of delivery, unless state or federal law requires the SSN to be on the document to be mailed.

The limitation of this sub-paragraph shall not apply to applications and forms sent by mail including, but not limited to:

- i. material mailed in connection with the administration of the Unemployment Act;
 - ii. material mailed in connection with any tax administered by the Illinois Department of Revenue; and
 - iii. documents sent as part of an application or enrollment process or to establish, amend, or terminate an account, contract, or policy or to confirm the accuracy of the SSN, as long as the SSN is not printed, in whole or in part, on a postcard or other mailer that does not require an envelope, or that is visible without opening the envelope.
- e. To collect, use or disclose an individual's SSN unless:
 - i. required by federal or state law or regulation;
 - ii. the need and purpose is documented prior to the collection, use or disclosure; and
 - iii. the collection, use or disclosure is relevant to the documented need and purpose.

C. Exceptions

- 1. SSN may be disclosed under the following circumstances:
 - a. Disclosure to another local government when required by law or regulation, and if documented protections are provided.
 - b. Disclosure pursuant to court order, warrant or subpoena.

2. SSN may be collected, used or disclosed under the following circumstances:
 - a. When collection, use or disclosure is required to ensure the safety of state and local government employees; persons committed to correctional facilities, local jails, and other law-enforcement facilities or retention centers; wards of the state; and all persons working in or visiting a state or local government agency facility.
 - b. When collection, use or disclosure is required for internal verification or administrative purposes.
 - c. Collection or use to investigate or prevent fraud, to conduct background checks, to collect a debt, to obtain a credit report from a consumer reporting agency under the federal Fair Credit Reporting Act, to undertake any permissible purpose that is enumerated under the federal Gramm Leach Bliley Act, or to locate a missing person, a lost relative, or a person who is due a benefit, such as a pension benefit or an unclaimed property benefit.

D. Violations

Anyone violating this policy may be subject to disciplinary action up to termination and/or criminal prosecution as provided by the IPA and law. (5 ILCS 179/45)

E. Training

All employees and officials who have access to SSNs in the course of their position with the Pension Fund shall undergo approved training on the handling and safeguarding the confidentiality of SSNs.

CHAPTER II - MEMBERSHIP IN FUND

2.01 Application for Membership

A. Generally

Any person appointed as a firefighter in the Lisle-Woodridge Fire Protection District shall, within three (3) months after receiving his or her first appointment and within three (3) months after any reappointment, make written application for membership to the Board under the provisions of Article 4 of the Pension Code. The eligibility of all applicants shall be determined by the Board in accordance with all applicable laws. (40 ILCS 5/4-107).

B. Procedure for Application

Application to the Fund shall be made in writing on the Board's standard form (see **Form 10**) and submitted with a completed background information form (see **Form 11**). Any person appointed as a firefighter in the Lisle-Woodridge Fire Protection District who has previously served as a firefighter for at least one (1) year in any other Illinois fire department or fire protection district and has been a member in another Article 4 pension fund shall notify the Fund of all such periods on the Board's standard form (see **Form 10**). Any firefighter hired on or after July 1, 2004, must, within 21 months of being hired, notify the following of his or her intent to combine creditable service from multiple Article 4 pension funds: (1) the Fund; (2) the District; (3) all previous fire departments or fire protection districts at which he or she was employed and was a member of an Article 4 pension fund; and (4) the Public Pension Division of the Illinois Department of Insurance.

The applicant shall be evaluated to determine whether he or she currently suffers from heart disease, stroke, tuberculosis, or any disease of the lungs or respiratory tract, or cancer. The results of that examination shall be submitted on the Board's standard physician's certification form (see **Form 12**). The Board may elect to accept the results of the pre-employment physical examination that was administered to the applicant at the direction of the Lisle-Woodridge Fire Protection District as long as all concerns included above have been addressed as part of that physical examination. (40 ILCS 5/4-107; 40 ILCS 5/4-109.3 (h)).

C. Transfer of Creditable Service from IMRF

1. Application for Membership

Any firefighter who was excluded from participation in the Fund because he or she earned credit for that service under Article 7 of the Illinois Pension Code (Illinois Municipal Retirement Fund (IMRF)) (40 ILCS 5/7-101 *et seq.*) and who is a participant in IMRF may become an active participant in the Fund by making a written application on the Board's standard form (see **Form 10**). Participation in the Fund shall begin on the first day of the month following the month in which the application is received by the Board.

2. Establishment of Creditable Service

Any firefighter who was excluded from participation in the Fund because he or she earned credit for service under IMRF and who is a participant in IMRF may also elect to establish creditable service for those periods of

employment as a firefighter during which he or she was excluded from participation in an Article 4 fund. To establish this credit, the firefighter shall pay into the Fund the amount that the firefighter would have contributed had deductions from salary been made for this purpose at the time the service was rendered, together with interest thereon at 6% per annum, compounded annually, from the time the service was rendered until the date of payment, less any amounts transferred from IMRF under Section 7-139.10 of the Illinois Pension Code (40 ILCS 5/7-139.10). (see **Forms 13, 14, and 15**)

2.02 Determination of Continuing Eligibility for Benefits

A. Affidavit of Eligibility

All members drawing benefits from the Fund shall annually complete an Affidavit of Eligibility (see **Forms 16 and 17**) to verify that the member is still living and to ensure that the members and their beneficiaries meet eligibility requirements. The affidavit shall be mailed every year to the member or beneficiary with his or her monthly check. The form must be completed, notarized, and returned to the Secretary within thirty (30) days of receipt. The Board may initiate an investigation regarding the continued validity of any eligibility for pension benefits by any member or beneficiary.

B. Annual Medical Examination of Members Receiving Disability Pensions

Medical examination of a member receiving a disability pension shall be made at least once each year prior to attainment of age 50 in order to verify continuance of disability. Such examination may include a functional capacity evaluation and any other testing deemed relevant by the Board or the reviewing physician. No examination shall be required after age 50. All members receiving disability benefits under the age of 50 shall annually sign an authorization for release of medical records and submit it to the Board (see **Form 18**).

The physician who examined the member shall complete and forward to the President a certification of continuance of disability (see **Form 19**) indicating whether the member continues to suffer from the disability, along with copies of all pertinent medical records with the Board's standard certification form (see **Form 20**).

C. Change Rendering Ineligibility

The Board shall review the completed forms to determine future eligibility. In the case of a member receiving disability benefits, the member shall be entitled to ten (10) days notice before any meeting or hearing of the Board at which the question of his or her disability is to be considered, and shall have the right to be present and represented by counsel at his or her expense.

If the Board determines that the individual pensioner's or beneficiary's status has changed to render him or her ineligible to receive benefits, the Board shall notify the pensioner or beneficiary by certified mail of its decision to cease payment of benefits, indicating the reasons for ineligibility. The pensioner or beneficiary may make a written request for a hearing before the Board to challenge its determination within thirty (30) days of receipt of the Board's decision. The hearing shall be conducted in accordance with the Board's hearing procedures. (40 ILCS 5/4-112)

2.03 Change of Records

All members and beneficiaries shall immediately notify the Board of any changes in address, dependent status or marital status, and any other changes in circumstances that may affect their membership in the Fund or entitlement to benefits. Changes shall be submitted to the Board in writing on the Board's standard change of records form (see **Form 21**).

2.04 Refund of Deductions

A firefighter with less than twenty (20) years of service is entitled to a refund of his or her total contributions during such service if:

- A. He or she resigns or is discharged, or has been involuntarily laid off for other than disciplinary reasons for more than 180 calendar days; and
- B. He or she has not received any disability pension payments.

The firefighter shall make application for refund on the Board's standard form (see **Form 22**). (40 ILCS 5/4-116)

2.05 Maintenance of Pension after Separation from Service

A firefighter with less than twenty (20) years who is terminating employment with the District may request that the total deductions made from his or her salary during the employment period be left in the Fund (see **Form 23**). (40 ILCS 5/4-109)

2.06 Annual Statement of Contributions

The Board may annually provide, at a member's request, a statement of his or her aggregate contribution to the Fund.

2.07 Credit for Military Service

A. Generally

Two types of credit for military service are available: credit for military service performed prior to employment as an active firefighter, and credit for military service performed while serving as an active firefighter.

First, firefighters in service on or after April 10, 2009 may obtain up to two years of creditable service for pension purposes for service in the military, naval, or air forces of the United States that was served prior to employment by a municipality or fire district as a firefighter. (40 ILCS 5/4-108(c)(1.5)). To receive this credit for military service, the firefighter must:

- 1. apply in writing to the Fund; and
- 2. make contributions to the Fund equal to:
 - (a) the employee contributions that would have been required had the service been rendered as a member; and
 - (b) an amount determined by the Fund to be equal to the employer's normal cost of the benefits accrued for that military service; and

- (c) interest at the actuarially assumed rate applicable to the years for which creditable service is sought, provided by the Illinois Department of Insurance, compounded annually from the first date of membership in the Fund to the date of payment on items 1 and 2.

Second, firefighters may obtain up to five years of creditable service for pension purposes for service in the military, naval, or air forces of the United States in the period during which the firefighter was an active firefighter (40 ILCS 5/4-108(c)(1)). To receive credit for this military service, the firefighter must pay into the fund the amount he or she would have contributed if he or she had been a regular contributor during such period, and to the extent that the municipality or fire district in which the firefighter served has not made such contributions in the firefighter's behalf.

B. Character of Military Service for Credit Eligibility

A member shall be entitled to credit for military service only if the member's military service entitles him/her to eligibility pursuant to Section 4304 of the Federal Uniform Services Employment and Re-Employment Rights Act (38 U.S.C. Section 4304).

C. Application for Military Service Credit

A member seeking to claim credit for military service shall provide written notification to the Board of the intent to do so, and make the corresponding contributions required by law, no later than the time prior to actual receipt of benefits from a permanent pension. The member shall submit to the Board, along with a written request identifying the period for which credit is sought, a copy of the active-participant's Department of Defense form 214 (Certificate of Release of Discharge from Active Duty) for the relevant period for which creditable service for pension purposes has been requested. **(Form 24)**

D. Mandatory Contribution for Military Service

To receive credit for military service, the member must pay into the Fund the contributions noted above. This repayment may be made in equal installments over a period of the military service for which credit is sought, but not more than five (5) years, and must be paid in full prior to retirement. The actuarially assumed rate of interest during an installment repayment shall be determined based on the applicable Illinois Department of Insurance interest rate for the years in which repayment remains ongoing. This interest shall continue to apply to any unpaid balance during the payment period. Credit for military service cannot be awarded if the member does not make this mandatory contribution. The Board shall notify the member of the amount due after consulting with the Illinois Department of Insurance to determine the amount due for the periods for which the member is seeking credit.

CHAPTER III - APPLICATION FOR BENEFITS AND HEARING PROCEDURES

3.01 Application for Benefits

A. Disability Pension

An application for a disability pension may be filed with the Board by or on behalf of any member who is qualified or who has allegedly become physically or mentally permanently disabled for service in the Lisle-Woodridge Fire Protection District. Application for a disability pension shall be made on the Board's standard application for disability benefits (see **Form 25**). Applications must be signed by the member, or in the event that he or she is unable to sign the application, by an appropriate representative as determined by the Board. An application for disability pension shall be submitted as soon as the applicant is aware of the need.

Applications for disability benefits shall include a clear and concise statement of the nature of the disability, including the relevant section under which the disability pension is sought, a description of the sickness, accident or injury giving rise to the disability, and the times and places of occurrence of each accident or injury involved. (40 ILCS 5/4-110, 4-110.1, 4-111, and 4-114)

B. Retirement Pension

Application for a retirement pension shall be made on the Board's standard application for retirement benefits (see **Form 26**). An application for a retirement pension should be filed at least ninety (90) days before the requested effective date of the pension.

C. Widow/Widower and/or Dependent Benefits

Application for widow/widower and/or dependent benefits shall be made on the Board's standard form for such benefits (see **Form 27**).

D. Adult Disabled Child Benefits

Adult disabled children may be eligible for survivor benefits upon the death of a retiree or widow/widower. Application for adult disabled child benefits shall be made on the Board's standard form for such benefits (see **Form 27**). To be eligible for survivor benefits from the Fund, an adult disabled child must establish the following:

1. Dependency

The child must be dependent upon the retiree or widow/widower at the time of death for at least one-half of the child's support. This may be evidenced by the most recent tax returns submitted to the Internal Revenue Service, showing the child as a dependent for tax purposes.

2. Disability

The child must be dependent because of a physical or mental disability which may be evidenced by a court order under the Probate Act (755 ILCS 5/11a-1 *et seq.*). The Fund may also accept a finding of disability by the Social Security Administration. (40 ILCS 5/4-114)

3.02 Processing and Investigation of Applications for Benefits

Upon receipt of an application for benefits, the President shall distribute a copy to each member of the Board and forward a copy to the Board's attorney. At the next regular meeting of the Board or any special meeting called for such purpose, the Board shall take official notice of the receipt of the application. The Board shall request any information pertaining to the application as it may deem necessary and may designate an appropriate non-Board person or persons to investigate the application.

If the application is for a disability pension, the Board shall designate three (3) physicians who shall thoroughly examine the applicant and who shall prepare and transmit written certified reports of their medical examinations and copies of all medical records to the Board with the Board's standard certification form (see **Form 20**). The physicians shall submit their conclusions regarding the applicant's condition on the Board's standard physician's certification of disability (see **Form 28** and **Form 29**). In the event that any designated physician is, for any reason, unable to make such an examination, the Board shall designate another physician to do so. The Board may designate one or more of its members to select the physicians. (40 ILCS 5/4-112)

3.03 Hearings

A. Generally

The Board shall cause the applicant to receive at least ten (10) days notice by certified mail or personal service of the time and date of any preliminary hearing or hearings at which the question of the applicant's application is to be considered. An applicant shall have the right to be present at any such preliminary hearing or hearings; the right to be represented by counsel; the right to present witnesses, evidence or information relevant to the issues involved; and the right to cross-examine all witnesses who testify at the hearing. However, the Board shall not have any obligation to provide the applicant with counsel.

The technical rules of evidence shall not apply to hearings conducted hereunder. At the discretion of the Board, interested parties other than the applicant shall have the right to representation, the right to present evidence or information relevant to the issues involved, and the right to cross-examine all witnesses who testify at the hearing. However, the Board shall not have any obligation to provide any interested party with counsel. The applicant and other interested parties (i.e., any member of the Fund) who seek to provide information in support of or in objection to the pension application shall direct such information either orally at the hearing or in writing to the Board.

The Board shall inquire into all matters at issue, and no disability pension shall be given unless the Board establishes and determines that a disability exists based upon the examinations of the three (3) physicians and such other evidence as the Board may deem necessary. All hearings shall be held subject to the Open Meetings Act. All hearings shall be transcribed by a court reporter and a copy of such transcript shall be placed in the applicant's pension file. (5 ILCS 120/1 *et seq.*; 40 ILCS 5/4-112)

3.04 Duty Assignment

A. Generally

It is the policy of the Lisle-Woodridge Firefighters' Pension Fund to encourage injured members to serve the needs of the District in any assignment for which they are medically fit and qualified to serve.

B. Procedures

- 1. During any hearing on an application for disability pension benefits, the Pension Board will entertain evidence from the Chief Administrator of the District (or his designee) as to the availability of assignments within the Lisle-Woodridge Fire Protection District in which the applicant might be medically fit to serve.
- 2. If an assignment is available at the time of the hearing on the application for disability benefits, the Board shall make a determination as to the applicant's abilities (both physical and background and training) to fill that

job.

3. If an applicant is found fit to fulfill a duty assignment, the Board shall deny the pension application and certify to the Fire Chief Administrator the availability of the member to fill the open position.
4. Should a duty assignment become available during the time that a member or members of the District is receiving disability pension benefits, the Board will investigate the abilities of the member to fill that assignment.
5. Any investigation of the suitability of a member of members for a duty assignment shall include a review of the following:
 - a. The job description and duties of the position in question;
 - b. The physical ability of the member(s) on pension to perform the duties of the position;
 - c. The member's background and training for the assignment in question.
6. Should the disabled member or members be one of two or more District employees seeking the open assignment, the selection of the person to fill the assignment shall be made by the Fire Chief Administrator.
7. Should a disabled member be the only person available for the open assignment, the Board shall certify to the Fire Chief Administrator by the Board the availability of the member to fill the open assignment.
8. Should any member be found by the Board to be physically and otherwise qualified to perform a duty assignment, be offered such assignment, and refuse to serve in such assignment, then the Board, after notice to the member and an opportunity to be heard, may terminate the pension benefits of the member.

3.05 Rehabilitation

A. Generally

It is the policy of the Lisle-Woodridge Firefighters' Pension Fund to encourage the physical rehabilitation and return to duty of those members on disability pension. This rehabilitation will be consistent with the purposes of the Pension Code and applicable law.

B. Procedures

1. Rehabilitation may be considered only after the pension applicant has received an award of pension.
2. Rehabilitation may be ordered by the Board only after examination by a doctor selected by the Board and preparation of a rehabilitation or treatment plan.
3. Rehabilitation may be ordered in those cases in which the medical condition of the disabled member is one which can be remedied without significant danger to life or health or extraordinary suffering and when medical opinion indicates that a prescribed remedy offers a reasonable

prospect for relief.

4. Prior to ordering the disabled member to take part in a rehabilitation program the Board shall afford that person the opportunity to appear before the Board and provide evidence of any on-going course of treatment.
5. Members receiving disability pension benefits are under an obligation to fully cooperate with any order of the Board regarding rehabilitation.
6. Failure to follow a prescribed course of treatment or to fully cooperate with the orders of the Board may result in the termination of disability pension benefits.
7. No disability pension benefit shall be terminated without first providing the member receiving the benefits with written notice and an opportunity to be heard on the matter before the Board.
8. Any costs of treatment incurred as a result of the rehabilitation order will be submitted to the disabled member's health insurance carrier or plan. Costs not paid by the insurance carrier will be paid for by the Pension Board.
9. Nothing in this procedure shall interfere with or negate the statutory requirement that disabled members under the age of 50 be examined at least once each year for the purpose of determining whether the disability is continuing.
10. The Board shall review each case of rehabilitation on an annual basis to determine if the rehabilitation program should continue.

3.06 Qualified Illinois Domestic Relations Orders (QILDRO)

A. Generally

1. Compliance with QILDROs

The Lisle-Woodridge Firefighters' Pension Fund shall comply with any Qualified Illinois Domestic Relations Order (QILDRO) properly issued by an Illinois court pursuant to Section 1-119 of the Illinois Pension Code (40 ILCS 5/1-119). The Fund shall promptly notify the firefighter and the "alternate payee" (as defined in 40 ILCS 5/1-119(a)(1)) by first class mail of the receipt of the order. (40 ILCS 5/1-119(d)(1))

The Board has made available a QILDRO information form (**Form 30**) for use by Fund members and attorneys inquiring about QILDROs. Fund members and attorney seeking information from the Pension Fund about QILDROs will be referred to the information form.

2. Responding to subpoenas

Within forty-five (45) days after receiving a subpoena from any party to a proceeding for declaration of invalidity of marriage, legal separation, or dissolution of marriage in which a QILDRO may be issued, or after receiving a request from the firefighter, the Fund shall provide in

response (i) a statement of a firefighter's accumulated contributions, accrued benefits, and other interests in the Fund based on the data on file with the Fund on the date the subpoena is received; (ii) and general retirement plan information available to a firefighter; and (iii) any relevant procedures, rules, or modifications to the model QILDRO form that have been adopted by the Fund.

In no event shall the Fund be required to furnish to any person an actuarial opinion as to the present value of the firefighter's benefits or other interests. The papers, entries, and records, or parts thereof, of the Fund may be proved by a copy thereof, certified under the signature of the Secretary of the Fund or other duly appointed keeper of the records of the Fund and the corporate seal, if any. (40 ILCS 5/1-119(h)(1), (2) and (3))

3. Valid QILDROs

For a court order to be a valid QILDRO (see **Form 31**) (40 ILCS 5/1-119(n)), it must satisfy all of the following criteria:

- a. The order must be accompanied by a \$50.00 processing fee, payable to the Lisle-Woodridge Firefighters' Pension Fund. (40 ILCS 5/1-119(d)(3))
- b. If the order applies to a firefighter who became a member of the Lisle-Woodridge Firefighters' Pension Fund before July 1, 1999, an original "Consent of Issuance of QILDRO" must accompany it, signed by the firefighter (see **Form 32**). (40 ILCS 5/1-119(m)(1))
- c. The order must be a certified copy of the original. (40 ILCS 5/1-119(d)(1))
- d. The order must have been issued by an Illinois court of competent jurisdiction in a proceeding for declaration of invalidity of marriage, legal separation, or dissolution of marriage that provides for support or the distribution of property, or any proceeding to amend or enforce such support or property distribution. (40 ILCS 5/1-119(b)(1))
- e. The order must contain the name, mailing address, and Social Security number of the firefighter. (40 ILCS 5/1-119(c)(1))
- f. The order must contain the name, residence address, and Social Security number of the alternate payee. (40 ILCS 5/1-119(c)(1))
- g. The order must identify the Lisle-Woodridge Firefighters' Pension Fund as the retirement system to which it is directed. (40 ILCS 5/1-119(c)(1))
- h. The order must identify the court that issued it. (40 ILCS 5/1-119(c)(1))
- i. The order must specify either the dollar amount or percentage of the benefit and/or refund payable to the alternate payee. (40 ILCS 5/1-119(c)(2))
- j. If the QILDRO indicates that the alternate payee is to receive a percentage of any Fund benefit, the calculations required shall be provided to the Fund via a "QILDRO Calculation Court Order" (see **Form 33**). (40 ILCS 5/1-119(c)(5))
- k. The order must apply only to benefits that are statutorily subject to QILDROs. (40 ILCS 5/1-119(c)(2))
- l. The order must be in the form adopted by the Lisle-Woodridge Firefighters' Pension Fund (see **Form 31**). Any alterations to the form will invalidate the order. (40 ILCS 5/1-119(p)(2))

- m. The effective date of the order must be on or after July 1, 1999. (40 ILCS 5/1-119(l)(2))

B. Deficiencies in order; cure period

Certain minor deficiencies in the court order may be corrected during the sixty (60) day period following the date the Lisle-Woodridge Firefighters' Pension Fund sends notice of the deficiency or deficiencies. This sixty (60) day period is called the "cure period."

1. Deficiencies that may be "cured"

Only the following deficiencies may be corrected during the cure period:

- a. The order is not accompanied by a \$50.00 processing fee payable to the Lisle-Woodridge Firefighters' Pension Fund, or the check does not clear.
- b. The order is not a certified copy of the original.
- c. The order omits the mailing address or Social Security number of the firefighter or alternate payee.
- d. The order contains an inaccurate Social Security number of the firefighter or alternate payee.
- e. The order contains a misspelled name of the firefighter or alternate payee.
- f. Any other deficiency deemed by the Lisle-Woodridge Firefighters' Pension Fund to be of a minor nature.
- g. The order applies to a firefighter who became a Lisle-Woodridge Firefighters' Pension Fund member before July 1, 1999, and is not accompanied by an original valid "Consent to Issuance of QILDRO" signed by the firefighter (see **Form 32**).
- h. The order specifies a percentage of the benefit and/or refund payable to the alternate payee and the Fund has not received a valid QILDRO Calculation Court Order (see **Form 33**).

2. Holding of benefits during cure period

If the firefighter is receiving monthly benefits or has a refund application pending when the court order is received, the Lisle-Woodridge Firefighters' Pension Fund will hold the portion of the benefit payable to the alternate payee during the cure period until:

- a. The order is resubmitted during the cure period and the Fund determines that all deficiencies have been corrected; or
- b. The cure period expires.

If the order is rejected, any amounts held during the cure period will be paid to the firefighter.

3. Deficiencies that cannot be "cured"

All other deficiencies will invalidate the order and cannot be cured during the cure period. An order that has one or more of the following deficiencies is invalid:

- a. The order is not issued by an Illinois court of competent jurisdiction.
- b. The order identifies a different retirement system.
- c. The order does not identify the court that issued it.
- d. The order does not specify the dollar amount or percentage of each benefit to be paid to the alternate payee.
- e. The order applies to a benefit that is not statutorily subject to QILDROs.
- f. The order is not in the form adopted by the Lisle-Woodridge Firefighters' Pension Fund.
- g. The effective date of the order is prior to July 1, 1999.

C. QILDRO Calculation Court Orders

If any QILDRO received by the Lisle-Woodridge Firefighters' Pension Fund specifies a percentage of the benefit and/or refund payable to the alternate payee, a QILDRO Calculation Court Order issued by an Illinois court of competent jurisdiction must also be provided to the Fund, accompanied by a \$50.00 processing fee, payable to the Lisle-Woodridge Firefighters' Pension Fund. The calculations required shall be performed by the firefighter, the alternate payee, their designated representatives or their designated experts. The Lisle-Woodridge Firefighters' Pension Fund shall have no duty or obligation to assist in such calculations or in completion of the QILDRO Calculation Court Order, other than to provide the following information to the firefighter and to the alternate payee, or to one designated representative of each:

- 1. If the Lisle-Woodridge Firefighters' Pension Fund receives the QILDRO before the firefighter's effective date of retirement, then, within forty-five (45) days after the Fund receives the QILDRO, the Fund shall provide all of the following information:
 - a. The date of the firefighter's initial membership in the Lisle-Woodridge Firefighters' Pension Fund, expressed as month, day, and year, if available, or the most exact date that is available to the Fund.
 - b. The amount of permissive and regular service the member accumulated in the Fund from the time of initial membership through the most recent date available prior to the Fund receiving the QILDRO (the dates used by the Fund shall also be provided). Service amounts shall be expressed using the most exact time increments available to the Fund (e.g. months or fractions of years).
 - c. The gross amount of the firefighter's non-reduced monthly annuity benefit earned, calculated as of the most recent date available prior to the Fund receiving the QILDRO, the date used by the Fund, and the earliest date the firefighter may be eligible to commence the benefit. This amount shall include any permissive service and upgrades purchased by the member, and those amounts shall be noted separately.
 - d. The gross amount of the firefighter's refund or partial refund, including any interest payable on those amounts, calculated as of the most recent date available prior to the Fund receiving the QILDRO (the date used by the Fund shall also be provided).
 - e. The gross amount of the death benefits that would be payable to the member's death benefit beneficiaries or estate, assuming the member dies on the date or a date as close as possible to the

date the QILDRO was received by the Fund, including any interest payable on the amounts, calculated as of the most recent date available prior to the Fund receiving the QILDRO (the date used by the Fund shall also be provided).

- f. Whether the firefighter has notified the Fund of the date the firefighter intends to retire, and if so, that date.
 - g. If the firefighter has provided a date that he or she intends to retire, the date, if available, that the Fund reasonably believes will be the firefighter's effective date of retirement.
2. If the Lisle-Woodridge Firefighters' Pension Fund receives the QILDRO after the effective date of retirement, then, within forty-five (45) days after the Fund receives the QILDRO, or if the Fund receives the QILDRO before the firefighter's already scheduled effective date of retirement, then as soon as administratively possible before or after the firefighter's effective date of retirement (but not later than forty-five (45) days after the firefighter's effective date of retirement), the Fund shall provide all of the following information:
- a. The firefighter's effective date of retirement.
 - b. The date the firefighter commenced benefits or, if not yet commenced, the date the Fund has scheduled the firefighter's benefits to commence.
 - c. The amount of permissive and regular service the firefighter accumulated in the Fund from the time of initial membership through the member's effective date of retirement. Service amounts shall be expressed using the most exact time increments available to the Fund (e.g., months or fractions of years).
 - d. The gross amount of the firefighter's monthly retirement benefit, calculated as of the firefighter's effective date of retirement. This amount shall include any permissive service and upgrades purchased by the firefighter, and those amounts shall be noted separately.
 - e. The gross amount of the firefighter's refund or partial refund, including any interest payable on those amounts, calculated as of the firefighter's effective date of retirement.
 - f. The gross amount of death benefits that would be payable to the firefighter's death benefit beneficiaries or estate, assuming the firefighter dies on the firefighter's effective date of retirement, including any interest payable on those amounts.
3. If, and only if, the alternate payee is entitled to benefits under Section VII of the QILDRO (See **Form 31**), then, within forty-five (45) days after the Fund receives notice of the firefighter's death, the Fund shall provide the gross amount of death benefits payable, including any interest payable on those amounts, calculated as of the firefighter's date of death.

D. Processing a valid QILDRO

The Board shall review each QILDRO it receives to ensure compliance with the Illinois Pension Code and its Rules (see **Form 34**). Once the Board has determined that a QILDRO is valid, one of the two following scenarios will occur:

1. If the firefighter has not yet started receiving benefits, the QILDRO will be placed in the firefighter's pension file and will be implemented when the first affected benefit payment begins unless some later date is specified in the QILDRO.
2. If the firefighter is already receiving benefits, payment to the alternate payee will begin with the first payment occurring at least thirty (30) days after the QILDRO was received by the Lisle-Woodridge Firefighters' Pension Fund.

E. Current mailing address of alternate payee

Each alternate payee is responsible for keeping the Lisle-Woodridge Firefighters' Pension Fund informed of his or her current mailing address. The Fund must have the alternate payee's current mailing address in order for him or her to receive payment. The law does not require the Fund to search for a missing alternate payee, other than sending notice to the last known mailing address. (40 ILCS 5/1-119(e)(1))

When a firefighter becomes eligible to receive a retirement benefit or refund, the Fund will send notice to the alternate payee's last known mailing address. If the notice is returned undelivered, the Fund will hold the amount payable to the alternate payee for 180 days from the date that the notice is returned or the date the benefit becomes payable, whichever is later. The amount held will not bear interest. If the Fund is notified of the alternate payee's current mailing address within 180 days, the Fund will pay that amount held to the alternate payee. (40 ILCS 5/1-119(e)(2))

If the Fund does not learn of the alternate payee's current mailing address within 180 days, the Fund will pay that amount to the firefighter. If the Fund later becomes aware of the alternate payee's current address, the Fund will implement the QILDRO, but the alternate payee will have no right to any amounts already paid to the firefighter. (40 ILCS 5/1-119(e)(2))

F. Rights of the alternate payee

An alternate payee's rights are no greater than the firefighter's rights. An alternate payee is only eligible to receive payment if and when the firefighter becomes eligible to receive the benefit or refund. A QILDRO cannot order payment to an alternate payee that will not otherwise have been payable to the firefighter.

Any required application for benefits may be made by an alternate payee who is entitled to all of a termination refund or retirement benefit or part of a death benefit that is payable under a QILDRO, provided that all other qualifications and requirements have been met. However, the alternate payee may not make the required application for death benefits while the firefighter is alive or for a firefighter's refund or a retirement benefit if the firefighter is in active service or below the minimum age for receiving an undiscounted retirement annuity in the Fund that has received the QILDRO or in another retirement system in which the firefighter has regular or permissive service and in which the firefighter's rights under the Retirement Systems Reciprocal Act (40 ILCS 5/20-101 *et seq.*) would be affected as a result of the alternate payee's application for a firefighter's refund or retirement benefit. (40 ILCS 5/1-119(i))

G. “Amount payable” exceeding benefits; multiple QILDROs

If the amount payable to an alternate payee exceeds the actual amount of the benefit payable to the firefighter, the excess shall be disregarded. If there are multiple QILDROs against a firefighter, the Fund will honor all of them to the extent possible. If the total amount payable to all alternate payees exceeds the actual amount of the benefit, the QILDROs will be satisfied in the order that the Fund received them. Amounts payable to multiple alternate payees will not be adjusted *pro rata*. Amounts that cannot be paid because the benefit is not large enough to cover all amounts payable shall be disregarded. The Lisle-Woodridge Firefighters’ Pension Fund is not responsible to an alternate payee or any other person for amounts that remain unpaid because the benefit is not large enough. (40 ILCS 5/1-119(f)(1) and (2))

If a benefit subject to a QILDRO subsequently becomes subject to a tax lien or withholding order, the amount due will be deducted from the portion of the benefit payable to the person who is subject to the tax lien or withholding order. The remainder of the benefit will be payable to the recipient who is not affected by the tax lien or withholding order. The Lisle-Woodridge Firefighters’ Pension Fund is not required to make up any amounts not paid due to recoupment of an overpayment, tax lien, or withholding order.

H. Increases in benefits

The QILDRO form approved by the Lisle-Woodridge Firefighters’ Pension Fund includes a place to indicate whether the alternate payee is to receive a portion of any automatic annual increase in the firefighter’s retirement benefit. If the “WILL NOT” box is checked, then the amount of the firefighter’s retirement benefit that the alternate payee is receiving will remain constant, unless a modified QILDRO is received.

If the “WILL” box is checked, then the alternate payee will receive a portion of any increase in the firefighter’s retirement benefit. Thus, for example, if the “WILL” box is checked, and the firefighter’s total retirement benefit increases 3%, the portion going to the alternate payee will increase by 3%.

I. Modified QILDROs and QILDRO Calculation Court Orders

A modified QILDRO or QILDRO Calculation Court Order must be sent to the Lisle-Woodridge Firefighters’ Pension Fund in the same manner as a new one. A separate \$50.00 processing fee payable to the Lisle-Woodridge Firefighters’ Pension Fund must be paid each time a modified QILDRO or QILDRO Calculation Court Order is submitted.

A modified QILDRO will hold the same priority of payment that the original one held, as long as the modified QILDRO does not increase the amount of any benefit payable to the alternate payee as that amount was designated in the QILDRO or affect a different benefit.

If a modified QILDRO increases the amount or affects different benefits, it will lose the priority held by the original QILDRO. Priority of payment will then be based on the date the Lisle-Woodridge Firefighters’ Pension Fund received the modified QILDRO. If the benefit is subject to multiple QILDROs, losing the original QILDRO’s priority could actually result in a reduced payment to the alternate payee. If the benefit is not large enough to pay the total due under all

QILDROs, only the amount remaining after all other QILDROs have been paid will be available. (40 ILCS 5/1-119(f)(3) and 5/1-119(f)(4))

J. Election of benefit payment; Recoupment of overpayments

As long as there is in effect a QILDRO relating to a firefighter's retirement benefit, the firefighter may not elect a form of payment that has the effect of diminishing the amount of the payment to which any alternate payee is entitled, unless the alternate payee has consented to the election in a writing that includes the alternate payee's notarized signature, and this written and notarized consent has been filed with the Fund. If the firefighter attempts to make such an election, the Fund shall reject the election and advise the firefighter of the need to obtain the alternate payee's consent. (40 ILCS 5/1-119(j)(1) and (2))

If the Fund discovers that it has mistakenly allowed such election, it shall thereupon disallow that election and recalculate any benefits affected thereby. If the Fund determines that an amount paid to a regular payee should have been paid to an alternate payee, the Fund shall, if possible, recoup the amounts by deducting the overpayment from future payments and making payment to the alternate payee. (40 ILCS 5/1-119(j)(3) and (k))

In the event that a regular payee or alternate payee is overpaid, the Fund shall have the authority to and shall recoup the amounts by deducting the overpayment from future payments and making payment to the other payee. The Fund may make deductions for recoupment over a period of time in the same manner as is provided by law or rule for the recoupment of other amounts incorrectly disbursed by the Fund in instances not involving a QILDRO. The Fund shall incur no liability to either the alternate payee or the regular payee as a result of any payment made in good faith, regardless of whether the Fund is able to accomplish recoupment. (40 ILCS 5/1-119(k))

K. Expiration of a QILDRO

A QILDRO expires upon the death of the alternate payee. In the absence of another QILDRO, the right to receive the affected benefit will then revert to the firefighter. A QILDRO will also expire upon the death of the firefighter or when the firefighter takes a refund that terminates his or her participation in the Lisle-Woodridge Firefighters' Pension Fund. This is true even if the firefighter's refund is paid to an alternate payee. (40 ILCS 5/1-119(g)(1) and (2))

3.07 Termination of Pension Benefits - Application of Pensioner

A. Generally

A pensioner receiving a disability pension may file an application with the Board to terminate the pension benefits in order to seek reinstatement to active service (see **Form 35**). Upon satisfactory proof to the Board that a firefighter on a disability pension has recovered from disability, the Board shall terminate the disability pension. The Board shall conduct a hearing on the termination application in generally the same manner as hearings for disability pension applications. The pensioner shall be responsible for all medical and physician costs in excess of those associated with an independent medical evaluation regarding the pensioner's original disability. (40 ILCS 5/4-112)

B. Establishment of Creditable Service After Return to Active Duty

A firefighter may establish creditable service for a period up to three (3) years of time during which the firefighter received a disability pension (see **Form 36**). In order to establish such creditable service, the firefighter must have returned to active service after the disability for which credit is to be established. The firefighter shall make contributions with interest to the Fund based upon the salary upon which the disability pension was based prior to commencement of a retirement pension in accordance with Section 4-108(c)(7) of the Illinois Pension Code. (40 ILCS 5/4-108(c)(7)).

3.08 Conversion of Disability Pension to Retirement Pension

A. Less than twenty (20) years of creditable service

A pensioner receiving a disability pension who is 50 years old or older and who has not completed 20 years of creditable service whose disability continues for a period which when added to his or her period of active service equals 20 years may elect to retire by submitting a written application to the Board (see **Form 37**). (40 ILCS 5/4-113(a))

B. Twenty (20) or more years of creditable service

A pensioner receiving a disability pension who is 50 years old or older and who has sufficient creditable service to qualify for a retirement pension may elect to retire at any time by submitting a written application to the Board (see **Form 37**). (40 ILCS 5/4-113(b))

3.09 Benefits for Firefighters with Creditable Service in Multiple Article 4 Pension Funds

A. Retirement Pension

1. Qualifications

A firefighter who seeks retirement benefits from multiple Article 4 pension funds must:

- a. Be a firefighter at the time of withdrawal from the last pension fund and for at least the final three (3) years of employment prior to that withdrawal;
- b. Establish service credit with at least two (2) Article 4 pension funds under the Illinois Pension Code (40 ILCS 5/4-101 *et seq.*);
- c. Have a total of at least twenty (20) years of service under the various Article 4 firefighter pension funds;
- d. Be at least 50 years of age; and
- e. Be an active firefighter after July 1, 2004. (40 ILCS 5/4-109.3(b))

2. Retirement Benefits

A current Lisle-Woodridge Fire Protection District firefighter who is eligible for retirement benefits from the Lisle-Woodridge Firefighters' Pension Fund and at least one other Article 4 pension fund may elect to receive a retirement pension from the Fund and any other Article 4 pension fund in which he or she has at least one (1) year of service

credit but has not received a refund under Section 4-116 of the Illinois Pension Code (40 ILCS 5/4-116) or has repaid any such refund in accordance with Section 4-109.3(g) of the Illinois Pension Code (40 ILCS 5/4-109.3(g)).

In such cases, the Fund shall calculate the retirement pension that would be payable to the firefighter as if he or she had participated in the Fund during his or her entire period of service under all Article 4 pension funds (the “hypothetical pension”).

Any period of service for which the firefighter has received a refund under Section 4-116 of the Illinois Pension Code (40 ILCS 5/4-116) shall be excluded from this calculation unless the firefighter repays that refund to the applicable pension fund as required in Section 4-109.3(g) of the Illinois Pension Code (40 ILCS 5/4-109.3(g)). Proof of such creditable service and any refunds to other Article 4 pension funds must be provided to the Fund by the firefighter (see **Form 13**) and confirmed by the applicable pension fund (see **Form 38**).

The Fund shall subtract the original amounts of the retirement pensions payable to the firefighter by all other pension funds as provided in Section 4-109.3(d) of the Illinois Pension Code (40 ILCS 5/4-109.3(d)) from the firefighter’s hypothetical pension, and the remainder shall be the retirement pension payable to the firefighter by the Fund. (40 ILCS 5/4-109.3)

3. Former District Firefighters seeking Retirement Benefits

A former Lisle-Woodridge Fire Protection District firefighter who is eligible for retirement benefits from another Article 4 pension fund may elect to also receive a pension from the Fund and any other Article 4 pension fund in which he or she has at least one (1) year of creditable service but has not received a refund under Section 4-116 of the Illinois Pension Code (40 ILCS 5/4-116) (see **Form 39**).

If the former firefighter had received a refund from the Fund, he or she may reinstate creditable service in the Fund by payment to the Fund of the amount of the refund together with interest thereon at the rate of 6% per year, compounded annually, from the date of the refund to the date of payment. This repayment may be made in installments over a period of up to ten (10) years but must be paid in full prior to retirement (see **Form 14**).

Upon retirement, the former firefighter shall receive a monthly retirement pension from the Fund as provided in Section 4-104.3(d) of the Illinois Pension Code. (40 ILCS 5/4-109.3(d))

B. Duty-Related Disability Pension

If a firefighter who is a participant in the Fund and who has creditable service in other Article 4 pension funds becomes entitled to a disability pension under Section 4-110 of the Illinois Pension Code (40 ILCS 5/4-110), the Fund shall pay the disability pension based only on the firefighter’s service with the Fund. (40 ILCS 5/4-109.3(l))

C. Occupational Disease Disability Pension

CHAPTER IV - EXPENDITURES AND INVESTMENTS

4.01 Expenditures

The Treasurer or his designee shall provide the Board with a detailed expenditure analysis prior to any meeting. Payments from the Pension Fund shall be made by the Treasurer of the Board only upon warrants signed by the President of the Board and countersigned by the Secretary.

The President and the Secretary shall review any expenditures between meetings. At the next meeting, the debt/expense shall be discussed and voted on by the Board. If the President and Secretary are not able to reach an agreement to pay such debt/expense, the debt/expense shall be held for payment until the Board meets to discuss and vote for approval or denial.

All payouts to pensioners or beneficiaries shall be examined at a Board meeting to verify check amounts for accuracy, review of benefit status (i.e. eligibility requirements, automatic increases or decreases), and current medical status, if on disability. Disability or Pension checks must be mailed directly to the recipient, as opposed to a third party or deposited in a direct deposit account as directed by the member.

No Board member or other fiduciary of the Fund shall knowingly cause or advise the Fund to engage in an investment transaction with an investment adviser when the Board member or other fiduciary (i) has any direct interest in the income, gains, or profits of the investment advisor through which the investment transaction is made or (ii) has a business relationship with that investment adviser that would result in a pecuniary benefit to the Board member or other fiduciary as a result of the investment transaction. (40 ILCS 4/1-110(d)).

C. Five-Year Limitation of Consultants' Agreements

All contracts to provide consulting services to the Fund with respect to the selection of fiduciaries shall be limited in term to a maximum of five (5) years.
